

## **The Business of Play Therapy- A Synergetic Approach to Leadership and Running a Company**

**In this bonus video, you will hear how the principles of Synergetic Play Therapy® can be woven together to understand what the role of a leader really is. You will also learn the most common things that make someone a leader.**

- 1. A Synergetic Approach to Leadership and Running a Company**
- 2. Inspired Service**
- 3. Specialized Knowledge**
- 4. Structure**
- 5. Strategize**
- 6. Speak**
- 7. Ability to Sell**
- 8. Save and Invest**
- 9. Manage Perceptions and Emotions**

Notes:

### **Reflective Questions:**

- What is something I learned that felt really significant?

### **To Work On:**

1. Go back and keep filling in the worksheets from this course
2. What are the highest priority action steps I am going to take to get me closer to manifesting my vision?
