

**Continuing Education Verification Form
Certified Synergetic Play Therapy Supervisor™**

Instructions

Please complete and submit this form by May 31st of your renewal year. Please do not submit earlier. If you are uncertain when your CE hours are due, please contact the Institute.

Renewal of the Certified Synergetic Play Therapy Supervisor™ credential is required every 6 years. In order to renew, students must complete the CE requirements for being a Certified Synergetic Play Therapist™ (every 3 years) PLUS the following CE Supervision requirements. Excess hours may not be rolled over into the next 6 year cycle. If CE credits are not submitted, students will no longer be able to use the title Certified Synergetic Play Therapy Supervisor™ until renewal occurs.

Synergetic Play Therapy Supervisor™ CE Training Hour Options: (Completed within the last 6 years)

Attend and complete the assignments for the *Becoming a Synergetic Play Therapy® Supervisor - General Theory* 1.5 hour live class and 1.5 hour recorded video (total of 3 hours) that begins the supervision course to refresh the tenets and goals for SPT supervision. *Offered at a discounted cost.

Also included in the above course:

One hour recording of Lisa teaching: Running a Supervision Group that provides information on how to apply SPT Supervision Theory to groups. (Required)

Six recorded session videos that provide techniques and skills focused on helping navigate the supervisory relationship and challenges that arise in the playroom. All of the videos include valuable teaching guidance and commentary by Lisa. (Optional)

Then choose one of the following options:

1. Participate and meet attendance requirements in 8 months of group supervision for supervisors with Lisa.
2. Participate and meet the attendance requirements in Khris Rolfe’s SPT Consultant Clinical group (Intro Consultants only) or participate in the Cert Consultant group (Certification Consultants only).
