For questions regarding eligibility to receive credits from any of these organizations, please contact them directly.
- I understand the following **Consultation cancellation/no-show policy**: If you have to miss your consultation, please contact your Consultant and let them know **48 hours in advance**. Your group consultations are required as a part of the program. If you miss a consultation, you will need to make up your consultation and will be charged separately for an individual consultation through SPTI. ### **Tips on How to Manage Your Time for the Course:**

- Watch the class videos within one to two weeks of being posted. To integrate the material, we recommend watching a video and then participating in a consultation session within 2-3 weeks to help you integrate the material into your professional and/or personal life.
- During each class you will be able to download a course lesson handout. This handout will provide you with a guide as you watch the videos, offer homework suggestions, reminders, material references and other cool stuff to help facilitate a successful learning experience.
- Take the quiz after each video.
- Attend your monthly group consultation with your Consultant. Consultation helps you explore and integrate the concepts of SPT in a way that is meaningful to you. During consultation you have the opportunity to learn from other group members and to discuss how you are applying SPT into your work/practices, share challenges and progress, and deepen your understanding of basic SPT concepts. You are encouraged to explore ways to apply SPT in a wide range of settings including schools, mental health centers, home-based services, in your personal life, etc. (whatever is applicable to you), as well as with various populations (e.g., children, teens, families, adults).
- Participate in the LIVE webinars. It's a great opportunity to ask questions and further integrate what you are learning!
- Read the book throughout the course. You will be asked some questions about it in your final module before receiving your certificate.

### **Credentials and Advertising Yourself:**

To help you better understand what you can call yourself and how you can advertise yourself after completing the course, the following is outlined for you.

**Credentials.** Those who complete the Introduction to Synergetic Play Therapy® training can say they have received "training in Synergetic Play Therapy®" but not that they are "Certified Synergetic Play Therapist™" or "Certified Synergetic Play Provider" or a "Trained Synergetic Play Therapist." The

“Certified Synergetic Play Therapist™” or “Certified Synergetic Play Provider” title is only for those that have completed the requirements to be certified. If you earn your certification, you will be eligible to be listed on the Synergetic Play Therapy website.

**Advertising.** If you want to mention SPT on your website and/or on marketing materials, you must use the descriptions on the SPT website and provide a link to [synergeticplaytherapy.com](http://synergeticplaytherapy.com). We appreciate your understanding with this as it is important that SPT be described accurately. Please feel free to copy and paste from the SPT website for your description.

Further, we ask that you not have a sole specific “website page” dedicated to Synergetic Play Therapy® on your personal website where the URL would read like this: [janelletherapy.com/synergeticplaytherapy.com](http://janelletherapy.com/synergeticplaytherapy.com). It is recommended to include information about Synergetic Play Therapy in your “About” section or include a link back to our website: [www.synergeticplaytherapy.com](http://www.synergeticplaytherapy.com) if you want to talk about the type of play therapy you do.

**Refund and Cancellations:**

**Refund Policy:** Cancellations received before 4-weeks from the start date will receive a full refund minus a \$150.00 USD administrative/processing fee. Cancellation after this time and once the class begins will forfeit the entire payment of the course. However, payment can be applied towards a future Online Introduction to Synergetic Play Therapy course (within one year). If an emergency arises, please contact us to discuss.

***We look forward to being a part of this transformational journey! With much gratitude and appreciation for you, your enthusiasm, and investment in this course.***

Warmly,  
Lisa & your team of SPT Consultants
