Tips on How to Manage Your Time for the Program:

- Watch the class videos within one to two weeks of being posted. To integrate the material, we recommend watching a video and then participating in a consultation session within 2-3 weeks to help you integrate the material into your professional and/or personal life.
- During each class you will be able to download a module outline handout. This handout will provide you with a guide as you watch the videos, offer homework suggestions, reminders, material references and other cool stuff to help facilitate a successful learning experience.
- Take the quiz after each video. You will not be allowed to move on to the next lesson until you have completed the quiz.
- Attend your monthly group consultation with your Synergetic Play Therapy® Consultant. Consultation helps you explore and integrate the concepts of Synergetic Play Therapy® in a way that is meaningful to you. During consultation you have the opportunity to learn from other group members and to discuss how you are applying Synergetic Play Therapy® into your work/practices, share challenges and progress, and deepen your understanding of basic Synergetic Play Therapy® concepts. You are encouraged to explore ways to apply Synergetic Play Therapy® in a wide range of settings including schools, mental health centers, home-based services, in your personal life, etc. (whatever is applicable to you), as well as with various populations (e.g., children, teens, families, adults).
- Participate in the LIVE webinars. It's a great opportunity to ask questions and further integrate what you are learning! If you are unable to attend live, a recording will be available for you within 24 hours of the live session.
- Read the book throughout the course. You will be asked to answer questions about it in your final module before receiving your CE certificate.

Credentials and Advertising Yourself:

To help you better understand what you can call yourself and how you can advertise yourself after completing the program, the following is outlined for you.

Credentials. Those who complete the Introduction to Synergetic Play Therapy® training can say they have received "training in Synergetic Play Therapy®" but not that they are "Certified Synergetic Play Therapist™" or "Certified Synergetic Play Provider" or a "Trained Synergetic Play Therapist." The "Certified Synergetic Play Therapist™" or "Certified Synergetic Play Provider" title is only for those that have completed the requirements to be certified. If you choose to continue on and earn your certification, you will be eligible to be listed on the Synergetic Play Therapy® website.

Advertising. If you want to mention Synergetic Play Therapy® on your website and/or on marketing materials, you must use the descriptions on the Synergetic Play Therapy® website and provide a link to synergeticplaytherapy.com. We appreciate your understanding with this as it is important that Synergetic Play Therapy® be described accurately. Please feel free to copy and paste from the Synergetic Play Therapy® website for your description.

Further, we ask that you not have a sole specific "website page" dedicated to Synergetic Play Therapy® on your personal website where the URL would read like this: janelletherapy.com/synergeticplaytherapy.com. It is recommended to include information about Synergetic Play Therapy in your "About" section or include a link back to our website: www.synergeticplaytherapy.com if you want to talk about the type of play therapy you do.

Refund and Cancellations:

Refund Policy: Cancellations received before 4-weeks from the start date will receive a full refund minus a \$150.00 USD administrative/processing fee. Cancellation after this time and once the class begins will forfeit the entire payment of the course. If an emergency arises, please contact the Institute to discuss.

We look forward to being a part of this transformational journey! With much gratitude and appreciation for you, your enthusiasm, and investment in this course.

Warmly,

Lisa & your team of Synergetic Play Therapy® Consultants
