Synergetic Play Therapy Certification Program 2026-2027

Retreat Assignments by Location

The Synergetic Play Therapy Certification program includes two online learning retreats: 3.5 Day Learning Retreat and 4.5 Day Learning Retreat. There are two retreat dates/times for each learning retreat to accommodate the many varying time zones of our global community and to ensure balanced and engaging experiences.

The two retreat dates/times will be listed as "Retreat A" and "Retreat B", below. Students will be automatically assigned to either Retreat A or Retreat B based on their location in the world. You will receive confirmation of your retreat assignment upon finalizing your program registration and will have the same assignment for both learning retreats.

You will be assigned to Retreat A if you are located in the following time zones: Central Time (CT), Eastern Time (ET), South Africa Time (SAST), Greenwich Mean Time (GMT), India Standard Time (IST), or any other similar time zones.

*This retreat has been created for students from eastern parts of North America (CT, ET), Central and South America, Africa, UK, Europe, and India.

You will be assigned to Retreat B if you are located in the following time zones: Mountain Time (MST), Pacific Time (PST), Alaska Time (AKST), Hawaii-Aleutian Time (HST), Australian Eastern Standard Time (AEST), or any Asia time zones (such as Singapore Time, Hong Kong Time, etc.).

*This retreat has been created for students from the western parts of North America, Australia, and Asia.
